

Wibbly the wombat

*Feeling unsafe is an awful feeling.
It is important to tell someone about it
When a network person does not listen,
Keep on trying until someone does.*

Wibbly the wombat was feeling grim
His unsafe feelings were worrying him
So he knew just what to do.

He'd tell his friend the KANGAROO
But Kangaroo said "I'm too busy jumping to talk to you"

So he told his friend the TURTLE too
But Turtle said "I'm too busy sleeping to talk to you"

So he told his friend the KOOKABURRA
Kookaburra said "I'm too busy singing to talk to you".

So he told his friend PLATYPUS too
Platypus said "I'm too busy swimming to talk to you"

So he told his friend KOALA too
Koala said "I'm too busy eating leaves to talk to you"

So he told his friend the PENGUIN
Penguin said "I'm NOT too busy to talk to you!"

Wibbly was happy at last.
His unsafe feelings were all in the past.
Keep on asking and telling too,
You'll discover it works for you.....

So Wibbly told his friend Penguin about his unsafe feelings
and Penguin helped Wibbly's unsafe feelings go away.
